

Spokane Industries HSI Wear Parts

The Leader In Horizontal Shaft Impactor Wear Parts

Spokane Industries specializes in designing, developing, and manufacturing the best HSI wear parts available. All Spokane parts are made in the USA, with a support team that is second to none.

Spokane Industries provides wear parts in standard chrome as well as our patented Si-Tec® ceramic composite. Spokane offers a wide selection of blow bars, curtain liners, side liners, and impact plates.

Depending on your application, Spokane Si-Tec® Ultra Wear-Resistant Parts provide 30% more wear life compared to standard chrome parts. In addition to longer life, Si-Tec® increases aggregate production volume through more efficient and effective crushing.

Come experience the Si-Tec® advantage!

With HSI Crusher Wear Parts For Top Manufacturers:
