

TESAB

TS1860

2 DECK SCALPER / RECLAIMER

Being the largest of all the Tesab Scalper / Reclaimers, the TS1860 is unmatched in terms of Productivity and Versatility.

With a 225hp (168kw) CAT engine this machine has more than enough power to produce the levels of high quality product that you need.

A large hopper and wide feed opening allows material to flow freely and efficiently through the machine and the high performance screenbox ensures that all the material is excellently screened.

It would be difficult to find a more Versatile, Productive and Robust Scalper / Reclaimer on the market.

FEATURES & BENEFITS

- Superior performance 20' x 6' (6.2m x 1.83m) Screenbox
- Designed to operate in a huge range of applications
- Manufactured from high quality components
- Robust, durable and built to last

SCALPER / RECLAIMER

TESAB

Optimal chute design minimizes potential material spillage and blockages.

Wide feed opening allows for free flow of material and high volume capacity.

A significantly longer and wider direct feed lined hopper provides the largest loading area in its class.

Optimal chute design minimizes potential material spillage and blockages.

One of the most robust and durable machines on the market, the TS1860 is built to excel at the toughest screening jobs.

PERFORMANCE SPECIFICATION

* Depending on application

Max Feed Size*	Engine Size	Top Deck	Bottom Deck	Middle Deck
up to 850 TPH	CAT 225Hp (168Kw)	6.10m x 1.83m (20' x 6')	5.49m x 1.83m (18' x 6')	-

DIMENSION SPECIFICATION*

* Depending on material density and set-up

TRANSPORT DIMENSIONS			WORKING DIMENSIONS		
Height	Width	Length	Width	Length	Weight (Est.)
3500mm (11' 6")	3000mm (9' 10")	16,970mm (55' 8")	14,000mm (46' 5")	16,500mm (54' 1")	39,500kgs (87,083lbs)
